

3d Med Symposium 2017

3d Printing and Beyond!

The @3dMedLab at Austin Health warmly invites you to attend the 2017 3d Med Symposium. This cross-disciplinary event will:

- ▶ Showcase clinical applications of 3d modelling and printing
- ▶ Explore the use of Virtual Reality in Medicine
- ▶ Bring together clinicians, engineers and thought leaders in medical 3d printing
- ▶ Discuss social and legal issues in medical 3d printing

When: 25 August 2017

**Where: John Lindell Lecture Theatre
Level 4 Lance Townsend Building
Austin Health
145 Studley Road
Heidelberg**

Time: 8.00am - 5.00pm

Featured speakers include:

- ▶ Dr Elizabeth Sigston, ENT surgeon, Monash Health
- ▶ A/Prof Tracie Barber, School of Engineering UNSW
- ▶ Mr Graham Starkey, Liver transplant surgeon, Austin Health
- ▶ Dr David Ackland, Dept of Biomedical Engineering, Melbourne University
- ▶ Dr Eric Yong, Interventional Radiologist, St Vincent's Hospital Melbourne
