

4TH ANNUAL

3DMed

**AUSTRALIA
CONFERENCE**

2018

▼ 3D PRINTING

▼ 3D MODELLING

▼ VIRTUAL REALITY

Greetings!

I am pleased to invite you to become a sponsor of 3DMed Australia Symposium 2018, to be held at The University of Melbourne on October 13th and 14th.

As the only dedicated Medical 3D Printing Conference in Australia we are very excited to see this meeting grow over the past four years. It provides a unique opportunity to explore all things 3D — from 3D imaging, segmentation and modelling, 3D printing and bioprinting, all the way to Virtual Reality and Augmented Reality. More importantly, we are prepared to cover more than technical issues, with dedicated sessions on the social and public impact of 3D technologies, ethical implications, and the role of regulation in good implementation.

At the core of our philosophy is the belief that this field, and the introduction of disruptive technologies to medical care, does not belong to one group or specialty. It can only arise from the involvement of clinicians, scientists, engineers, lawyers, bioethicists, designers, and unrestrained free-thinkers. Most important is the role that industry has to play in shaping this field of research and future clinical care.

We have worked diligently to bring the most knowledgeable researchers as well as leaders in the industry to explore important concepts within 3D Printing. This conference is one and half days of technical and poster sessions on innovative information within the 3D printing industry and a half day of hands on workshops. There are also many opportunities for networking and socialising with your colleagues and potential clients.

This would be a wonderful opportunity to get your organisation involved to have some visibility in front of an audience who could benefit and value from your participation at this conference.

I invite you to be a partner with us in this event. Below are options designed to assist you in finding the right level for your budget and your time. Please take a look and contact us to discuss your needs and how best we can work together to bring forward the future of 3D Technologies in Medicine.

My best regards,

Mr Jason Chuen
Director of Vascular Surgery
Founding Director of 3D Med Lab
Austin Health

Location

The 3DMed Australia 2018 will be held at The Melbourne Brain Centre on the University of Melbourne campus in Melbourne, on October 13 to 14th 2018. This location creates a centralized place for many people to attend and stay nearby if they are travelling from interstate or overseas.

The Melbourne Brain Centre
 Kenneth Myer Building
 144/30 Royal Parade
 PARKVILLE VIC 3052

Conference Schedule

	Sat 13 Oct	Sun 14 Oct
Morning	Opening Ceremony Single Lectures	Single Lectures
Afternoon	Single Lectures	Single Lectures
Evening	Conference/ Faculty Dinner	

Sponsorship Schedule

	Sat 13 Oct	Sun 14 Oct
Morning	Bump In Morning Tea	Morning Tea
Afternoon	Lunch	Lunch
Evening	Afternoon Tea	Afternoon Tea Bump Out

Corporate Sponsorship Opportunities

This extraordinary event provides another incredible opportunity for sponsorship at a premiere conference dedicated to multidisciplinary 3D printer users.

SPONSORSHIP OPPORTUNITIES	Platinum (2 only)	Gold	Silver	Bronze
	\$20,000	\$15,000	\$10,000	\$5,000
<ul style="list-style-type: none"> Recognition on 3D Med Lab website & programme 	Y	Y	Y	Y
<ul style="list-style-type: none"> Trade Display opportunity 	First Choice in Position	Y	Y	Y
<ul style="list-style-type: none"> Display of company banner in main lecture theatre 	Y	Y	-	-
<ul style="list-style-type: none"> Satchel Inserts 	Unlimited	2	1	1
<ul style="list-style-type: none"> Three trade passes including attendance at lectures, meals and conference dinner 	3	2	1	1
<ul style="list-style-type: none"> Full guest pass 	1	-	-	-
<ul style="list-style-type: none"> Naming rights for conference dinner or faculty dinner 	Y	-	-	-
Additional opportunities				
<ul style="list-style-type: none"> Sponsors are welcome to sponsor flights and accommodation for any faculty/speaker with recognition in the programme, website and speaker introduction 	Dependent on speaker.			
<ul style="list-style-type: none"> Conference Dinner or Faculty Dinner sponsorship 	First option will be given to Platinum Sponsors Secondary support options available			
<ul style="list-style-type: none"> Door Prizes, Trade Area events, Satellite workshops and other opportunities 	Available by negotiation
